Model Text – How to Make a Spinning Top Instructions

Do you want to know how to make a simple toy that has been played with for many years? Read the instructions below to find out what you need!

You will need:

- A piece of card.
- A circle shape.
- Crayons
- Scissors
- A toothpick.

What to do:

First, put your circle on the card.
Next, draw around the circle slowly.
Then, decorate your circle with crayons.
After that, use the scissors to carefully cut round it.
Finally, gently poke the toothpick through the middle of your circle.

Warning:

Toothpicks are very sharp so be careful with where you play with it.
