Dear Parents/Carers,

We have a very exciting - but also very busy - year ahead in Year 6, so we have put together a brief overview of things coming up during each term so that you are aware of what to expect at various points throughout the year.

Please be aware that this is only a brief overview and therefore dates may change or new events may arise as we progress throughout the year. If there are any changes to the calendar overview outlined below, we will make you aware as soon as possible.

Please check ParentHub and our class page on the school website regularly to avoid missing any important messages or reminders.

If you have any questions, please email your child's class teacher.

Thank you,

Miss Bailey and Mrs Baker 😊
