Adverbs with the suffix -ly

Adverbs tell us more about the verb in a sentence.

The girl <u>sweetly</u> sang the song

Lots of adverbs are made by
adding the suffix -ly to an adjective.

kind - kindly
slow - slowly
happy - happily

Remember - if the adjective ends in **y** we need to change the **y** to an i and then add **-ly!**

Add **-ly**

sad - sadly
brave - bravely
safe - safely
wise - wisely

Change the **y** to an **i** then add **-ly**

merry - merrily
angry - angrily
crazy - crazily
lazy - lazily
