Model Text – Poetry (Senses Poems)

In My Garden – Moira Andrew

What can you see in my garden?
What can you see on the wall?
Slugs and snails and caterpillars
And a spider learning to crawl.

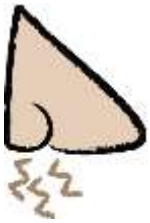

What can you hear in my garden?
What can you hear from the tree?
Robins and thrushes and blackbirds –
You can hear them singing to me.

What can you find in my garden?
What can you find under a stone?
Ants and worms and woodlice
And a stag beetle living alone.

What can you smell in my garden?
What can you smell in the grass?
Lavender, lilies and roses –
You can smell them as you pass.
