DT Project Mechanisms!

Sliders

In this project, we are going to be designing, modelling, making and evaluating a product that is appealing. We will be using these different mechanisms to help us create a moveable picture!

Levers

Pivot Point

Materials and Equipment

- Paper Fasteners
- Tape
- Card
- Hole Punch
- Scissors
- Pencil
- Crayons

- Straight line
- Forwards and backwards
- Round and Round
- In a curve
