Friday 27th March 2026

Happy Easter!

Dear Parents and Carers,

We have reached the end of another wonderful half term at RPS — it really has flown by! As always, thank you for your ongoing support; it is genuinely appreciated by us all. Below are some of this half term's highlights. We wish you a lovely Easter break with your families and look forward to seeing the children back in school on Monday 13th April.

Year 4 Girls' Football
At the beginning of March, I took a group of Year 4 girls to the FA's largest girls' football festival at St George's Park. The event included fun activities and competitive matches against other schools. The girls thoroughly enjoyed the day and narrowly missed out on reaching the semi-finals. See the latest news on our website for photos and more details.

KS2 London Trip
A couple of weeks ago, our Key Stage 2 School Councillors visited the Houses of Parliament. We travelled by train and used the London Underground before taking a guided tour inside Parliament. The children were able to sit in the public galleries of both the House of Lords and the House of Commons. They then took part in a classroom workshop on how laws are made in the UK and even met our local MP, Samantha Niblett, for a Q&A session. The children were impeccably behaved and gained so much from the experience. Thank you to all the staff who accompanied the trip. See our latest news for more.

World Book Day
Thank you, as always, for supporting World Book Day. The children looked amazing, and their enthusiasm really helped us to continue promoting a love of reading across the school.

Lord of the Flies
Our Year 6 children were recently invited to Repton's 400 Hall to watch their production of Lord of the Flies. Due to the themes of the story, this was deemed suitable for Year 6 only — and this proved to be a very sensible decision! The children enjoyed the performance and behaved impeccably. Thank you to those who helped walk the children there, and to Repton School for their warm hospitality.

Parents' Evenings
Thank you for engaging so positively with our recent Parents' Evenings and for supporting the Book Fayre. It was lovely to hear so much positive feedback about the children's progress.

Kids' League Kenya
On Monday, our Year 1 Hedgehogs joined a live Google Meet with our partner schools in the UK and Kenya. This time, the children were treated to a very special guest: Jackson, who works for a wildlife conservation charity in Kenya. He spoke about the exciting work he and his team do to protect animals on large game reserves. The Hedgehogs asked thoughtful questions and learned lots to support their spring geography topic.

Robins' Easter Bonnets
On Wednesday, our Robins held their Easter Bonnet Parade, which—as always—was wonderfully supported. The bonnets looked fantastic, and the children and families really enjoyed the event. Thank you for helping to make this tradition so special.

Robins' Trip to Church

On Tuesday, our Robins visited St Wystan's Church and were warmly welcomed by Reverend Short. The children learned about many aspects of the church and even ventured down into the crypt! Thank you to Steve Long and everyone who supported the trip.

Future Dates:

Wednesday 10th June – Reception and KS1 sports day
Thursday 11th June - KS2 sports day
Wednesday 1st July – PTFA Circus

Have a lovely break with your families!

Best wishes,

Mr Tague and the team
